REPORT- ORIGAMI ACTIVITY

DAY AND DATE OF ACTIVITY – Tuesday, 8th May 2018

TOPIC - Origami in Mathematics

VENUE - Respective Classroom

TEACHER INCHARGE - Ms. Bharti Gaur

CLASSES- VI (A,B,C), VII (A,B,C) & VIII (A,B)

On the **second day** of "**Maths Week (Aryabhata Club Activities)**" students of classes VI to VIII participated in Origami in Mathematics Activity . They used their creative skills to make different shapes like birds, car and box.

They used different coloured origami sheets and decorative materials. Instructions and guidance were given to students in the class with sample. Respective teachers in the class instruct them and guide them in performing the activity.

Students were enthralled to fold and shape their origami sheets into different shapes. They actively participated in the activity. Performance were evaluated on certain parameters and best two were selected for certification
