

MBS INTERNATIONAL SCHOOL, SECTOR -11, DWARKA

Circular No/ MBS/ 114/VI-XII

Date: 29.07.19

Dear Parent,

At MBS international School, students are our primary focus and we spare no efforts in ensuring their well-being. Government of NCT of Delhi has desired that all students should be covered under the **National Mass De-worming Programme**. We stand committed in our endeavour to support and successfully implement all government initiatives which are for the benefit of our students. The prescribed tablet (Tab Albendazole 400mg) for deworming is available in the school and will be administered to your ward after your confirmation on August 08, 2019. If your ward is absent on August 8, 2019, then your ward will be administered the tablet on the mop up day on August 16, 2019.

Kindly fill up the consent slip attached and send it back to the class teacher of your ward positively by August 3, 2019. Please note the tablet will be administered only if we receive your consent that he/she is not allergic to the above tablet. Your co-operation is highly appreciated.

  
Head of the School

---

**Consent**

I, \_\_\_\_\_ Parent of \_\_\_\_\_ class and section \_\_\_\_\_ hereby give the consent for my ward to administer the de-worming tablet to my ward and he/she is not allergic to the tablet.
