Class/Sec: _____

Name of the Student: _____

Dear Parent,

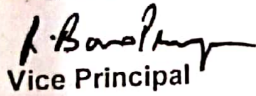

First PA-1 of the school is over and it is a matter of great pride that the school has an exemplary performance record. We hope to not just maintain but improve it in every academic term.

MBS International School recognizes that regular attendance is vital to a student's success in school. In order to take full advantage of the educational programming offered by teachers, it is essential that children are regular to school.

With this in mind we have a record that your child _____ of Class/Sec. _____ has _____% attendance upto _____ month which falls short of the mandatory 75% attendance during the current session. Since attendance is important in a child's education and a good education can help your child reach full potential, this is a problem that requires immediate attention.

Each child should have recorded attendance of 75%. Anything less than that shall render your ward disqualified for taking exams, according to the CBSE policy.

I, parent of _____ of Class and Sec. _____, understand that my ward has fallen short of the requisite 75% attendance as per the CBSE norms. I take the responsibility that he would be attending school regularly henceforth, failing which he/ she will be refrained from appearing in the final/CBSE Board exams.
