

MBS INTERNATIONAL SCHOOL, SECTOR-11, DWARKA, NEW DELHI

MBS/2017-18/020/Ref: Grades –VI-XII

Dated: 27th January 18

Dear Parents,

At MBS International School, students are our primary focus and we spare no efforts in ensuring their well being.

Government of NCT of Delhi has desired that all students should be covered under the National mass De-worming programme. Appropriate administration of tablet to children is important. We stand committed in our endeavor to support and successfully implement all government initiatives which are for the benefit of our students. The prescribed tablets (Tab Albendazole 400mg) are also available in the school and will be administered to your ward on your confirmation on February 08th and mop up day on 15th, 2018.

A word of confirmation from your end, will be highly appreciated. Kindly fill up the confirmation slip attached at the end of this circular and send it back to the class teacher of your ward, positively on 6th February 2018. Please note the tablet will be administered only after we receive your consent. Your cooperation is highly appreciated.

Principal
