Dear Parent,

We at MBS, constantly aim to provide unique educational services with an objective to aid in the development of skills that will enable students to have an edge in the competitive world.

We are introducing MUN for our students for this purpose. MUN is an academic simulation of United Nations where students play the role of delegates from different countries and attempt to solve real world issues with the policies and perspective of this assigned country.

A 3 day workshop will be organized in school for MUN and in case you are interested to make your ward participate in this training program, you may submit Rs.800/- to the class teacher of your ward, on or before 20th July '17. This includes the cost of trainer and the material that will be provided to the students.
